

### REMARKS

Applicant submits the following amendment in response to the Advisory Action of July 12, 2004 indicating that the previous Amendment under 35 U.S.C. §1.116 has not been entered and that the only claims that have been allowed are Claims 16-19, whereas previously submitted Claims 20, 23 and 26-29 are still being rejected.

Accordingly, in order to place the present application into order for allowance, applicant has cancelled all of the rejected claims and limited the present application to the allowed Claims 16-19.

Accordingly, inasmuch as all of the requirements concerning allowance of this application have been fully met, the withdrawal of the rejection and issuance of the Notice of Allowance by the Examiner is earnestly solicited.

Respectfully submitted,
